For all sites see appendix

Svensk Certifiering Norden AB certifies that the quality management system  
has been reviewed and complies with:

## ISO 9001:2015

Details of scope and the range of the certificate  
are defined in the certification decision.

The management system covers:

Technical commissioned activities, marine service & construction, naval work with  
marine resources, survey of ships through ship diving, dredging, sale of specific  
foundations for offshore wind turbines and development of computer programs  
with a marine connection.

Michael Persaud, CEO
